 I am free anytime today after 11:30am. I will try to rope in
 Loren
 Henning or Dana Barton as well. Let me know what time and what
 phone
 numbers I should call and we can do a 3-way conf call.

Yes, we do need to talk. I'm concerned about the position you're putting

us in.

Yes.

FYI, I just sent Susan Callery an email requesting that her and I
have
15-30 minute call tomorrow. My hope is that EPA and DTSC can
get on
the same page regarding the role of TASC under DTSC upcoming CI
Program at

SSFL so we can give some good answers to the SSFL CAG folks on
Wednesday.

Want to join Susan and I for the pre-call tomorrow ????

Craig

REMINDER: SSFL CAG meeting with EPA regarding TASC technical
assistance
requests 7/28 11am
Please join us for a meeting with EPA on 7/28 (this Wednesday) at
11:00am to discuss this communities' multiple TASC technical
assistance requests denied by EPA. We look forward to a
productive
discussion about the needs and questions that the surrounding
communities have.
I'll be sending out conference call access links and call-in #s
shortly under separate cover.

Thanks,
Christina
